### Pacific Academy Encinitas Upper School We're Small by Design Principal's Welcome

As the principal of Pacific Academy Encinitas, I welcome you into the Pacific Academy family. I recognize that choosing a high school to attend is a decision that will shape you and your future in unimaginable ways and I am deeply grateful you are considering our extraordinary school.

The choice you face is one that requires thorough research, thoughtful discussion and extensive deliberation and I'm here to lend support as you consider all of your options. I know you will want to choose a school whose goal is to graduate students capable of making positive contributions to society.

Indeed, at PAE, we empower students through education and character building to discover who they are and we are confident they graduate as the best version of themselves. We meet students at their own skill level through individualized and holistic education. That's not just lip service either. Every student at PAE has a customized schedule of classes matching each academic skill level they have reached. We pride ourselves on cultivating students' individual talents and facilitating students making their own positive mark on the world.

It is an honor to be part of the vibrant Pacific Academy family. From supportive parents, dedicated teachers, respectful students, and inspired professionals, we all work to make our school a place students and alumni alike can be proud to call home. We look forward to sharing the Pacific Academy experience with you.

Sincerely,

Mario Gonzalez, Principal
